Roads Investment 2022/23 – Update noted etc

3 There was submitted and noted a report by the Executive Director of Neighbourhoods, Regeneration and Sustainability regarding the Citywide Road Assets Investment Strategy and Programmes for 2022/23,

(1) advising

(a) of the impact and key benefits that the 2022/23 Roads Assets Investment Strategy would deliver;

(b) that the strategy had been developed by using data from customer reports, surveys and condition data to determine the road assets selected for repair and what would be achievable with the level of funding available; and

(c) of the anticipated outcomes of each programme of the strategy, as detailed in the report; and

(2) detailing in an Appendix to the report, a list of road asset improvement schemes identified for the Maryhill Ward as part of Roads Capital/Revenue spend.

Following discussion in relation to various areas requiring road improvements, the Partnership agreed that

(a) the Ward Councillors, along with Neighbourhoods, Regeneration and Sustainability Officers, would arrange to meet with Maryhill Housing Association, the owners of Hathaway Lane, Maryhill, to discuss its poor condition and how it could be repaired; and

(b) Neighbourhoods, Regeneration and Sustainability officers, in conjunction with local ward Councillors, would look at various locations within the Wyndford area that were also in need of repair.
