Southside Central Infrastructure Fund 2022/23 – Update noted.

4 There was heard a verbal report by Mr Martin Lundie, Neighbourhoods, Regeneration and Sustainability providing an update on the Neighbourhood Infrastructure Fund, advising that

(1) the timeframe for the £1m of investment for the ward is over a 5 year period until 2027;

(2) a further engagement plan was required and that a range of consultations both digitally and face to face, with the community would be required to allow for suggestions of what the residents from the Southside Central ward; and

(3) a further update in relation to the consultation process would be provided at a future meeting of this Partnership.

After consideration, the Partnership noted the report.
