Scottish Fire and Rescue Service Ward update noted.

4 There was heard a report by Station Commander, Barry Cranstoun, Scottish Fire and Rescue Service (SFRS) of the current issues, incidents and work being carried out in the Ward for the period 1st April 2022 to 30th June 2022, advising that

(1) the Service had attended 12 accidental dwelling fires with 1 casualty, I unintentional injury and harm, 72 deliberate fires, and 58 unwanted fire alarm signals (UFAS);

(2) the Service had continued to work with the community to install fire and smoke detection alarms to domestic properties for vulernable residents within the Ward in line with the new legislation that came into force from February 2022;

(3) the SFRS continued to work with Police Scotland and Scottish Ambulance Service to gain entry to properties when access was required for emergency treatment; and

(4) a new regulation from April 2023 would result in the Service not responding to every UFAS, except when there was a confirmed fire or the property was a hospital or care home.

After consideration, the partnership,

(a) noted and thanked Mr Cranstoun for the report and for all the work carried out by SFRS in the Ward;

(b) agreed that the presence of SFRS at a recent gala day had been a success; and

(c) requested a visit from the Service to the Springburn Communty Hub to discuss fire safety issues and to carry out CPR and first aid training.

Variation in order of business noted.

5 The Partnership agreed to vary the order of business as hereinafter minuted.
