Scottish Fire and Rescue Service Ward update noted.

8 There was heard a report by Station Commander David McGroarty, Scottish Fire and Rescue Service (SFRS) regarding the current issues, incidents and work being carried out in the Ward for Quarter 1 2022/23, advising the Partnership that

(1) the Service had attended 51 fires, 103 false alarms, 49 of which had been unwanted fire alarms, 21 Special Services and carried out 35 high risk home fire safety visits;

(2) the Service continued to work with partners on fire safety, CPR and water safety, including engagement events in parks and close to bodies of water to highlight the dangers of water; and

(3) the Service had seconded a member of the team to the Council's Glasgow Helps department to promote partnership engagement and the Prevention and Protection team had developed a Child Trafficking Awareness presentation that had been delivered to all Glasgow Firefighters and would be cascaded nationally.

After consideration, the Partnership

(a) noted and thanked Station Commander McGroarty for the report and for the worked carried out by the Service to help vulnerable residents to install the new fire alarms; and

(b) requested information on when it was agreed that the Scottish Ambulance Service would share the SFRS premises at Maryhill, which would be provided at a future meeting of this Partnership.
