(Agenda Item 1)	**Delegated Awards Report** Tender Reference: GCC005496CPU - Appointment of Project Manager for the Phase 3: Penilee element of the construction of the Hillington and Cardonald SWMP interventions
Question 1 (Cllr Scanlon)	Can you confirm if Sweco pays the Real Living wage or the National Living wage?
Answer 1	The supplier confirmed the following: Sweco pays the statutory National Minimum Wage/National Living Wage to all employees. We pay the Living Wage, a voluntary rate set by the Living Wage Foundation, but we are not an accredited employer. This means that we pay the UK Living Wage/London Living Wage to employees where applicable, but this rate doesn't apply to apprentices or interns. In this situation, the statutory National Minimum/Living Wage would apply".
