Scottish Fire and Rescue Service - Ward update noted.

6 There was heard and noted a verbal update by Iain McCormick, Scottish Fire and Rescue Service, advising the of the current issues, incidents and work being carried out within the Ward for the period from 1st April – 30th June 2022, advising that

(1) there had been 36 fires, 34 special services and 83 unwanted fire alarms;

(2) the Scottish Fire and Rescue Service had been working in partnership with local businesses close to the River Clyde by providing training on how to use rescue lines should someone be spotted in the water; and

(3) a new initiative had been launched regarding chimney fires, as more residents look towards using traditional methods of heating due to the current energy crisis.
