Glasgow Helps Programme – Update noted

9 There was noted a report by Glasgow Helps Development Manager regarding the Glasgow Helps Programme, advising

(1) the organisation was established by the Council in response to the pandemic to offer free confidential support, information and advice to residents;

(2) that from 9th May 2022, Glasgow Helps moved into phase 2, to provide support in the form of food, fuel, holistic issues or any other matter highlighted to the programme; and

(3) the organisation could be contacted directly or via a referral from an agency or stakeholder.

After consideration, the Partnership noted the report.
