Finance and Audit Scrutiny Committee 31 August 2022 Enquiries from Elected Members	
	Responses to Questions
Item 3	**Q1 Investment Monitoring**
Question 1	Cllr Braat referred to NRS Section 4 and asked for details of the projects contained within each of the Vacant & Derelict Land (VDLF) programmes.
Answer	Details are attached overleaf.
Question 2	Cllr Braat referred to NRS Section 4 and asked for an update on progress regarding the funding provided for Flood Schemes.
Answer	The candidate projects to be funded via this capital investment include: 1. Drumchapel SWMP Phase 2 - exchange of sites with GHA to provide land for preferred intervention ongoing. 2. High Knightswood SWMP - hydraulic model outputs awaited from Scottish Water. 3. Battle Burn - discussions ongoing with developer. There is currently no confirmed construction start date for the above projects.

This paper will be considered at the start of the committee agenda however requests for clarification on the answers can be made via the committee clerk in advance of the committee meeting.

Vacant & Derelict Land Fund 2021/22

Although £2.316m was approved for the 21/22 VDLF programme by committee, only £2.159m of funding had been agreed with the Scottish Government. It is currently expected that the shortfall will be met from underspends in VDLF projects from previous years (i.e. pre 2019/20).

Project Name	Grant Funding	Project Status
