## Recommendation

Approve £3,500. Whilst noting positive reports from schools previously involved with the programme, Education Services expressed concerns regarding the amount of funding requested. The application was deferred at the last meeting pending information on current provision by partners. Glasgow Life is not currently working with primary schools within Ward 9. CHP currently has 3 initiatives: Active Choices, Positive Choices Competition and Your Body Matters/Drug and Alcohol packs. This application does not duplicate existing provision, it would complement curricular learning.

Approve £300

Approve £1,533

Approve £750

Approve £3,950, subject to  
satisfactory officers  
assessment
