

Programme Status report noted etc.

7 There was submitted a Programme Status report by the Director of Regional Economic Growth providing information on the status and progress of projects within the Glasgow City Region - City Deal Programme, together with information on Programme Management Office activity for Quarter 3, the period from 1st October to 31st December 2019.

After consideration, the Cabinet

- (1) noted the report; and
- (2) approved
 - (a) the change controls submitted in the period, as detailed in the report;
 - (b) the recommendations in relation to responding to the Governments' comments on the Assurance Framework, as detailed in the report; and
 - (c) the final payment of £176,346 to SQW for the National Evaluation Panel at Gateway Review 1, subject to the condition detailed in the report.
