

Reimagining and Repurposing Springburn Winter Gardens - Presentation noted.

4 There was heard a presentation by Jackie Shearer, Project Co-ordinator regarding reimagining and repurposing Springburn Winter Gardens advising

- (1) of the business plan developed for the future of Springburn Winter Gardens;
- (2) of the stakeholder workshops that would be set up in the community over the coming weeks;
- (3) of how the business plan would be tested through the workshops and would shape applications for funding to sustain the gardens in the future; and
- (4) that Springburn Winter Gardens would bring enjoyment and interest contributing to the good health of the community.

After consideration, the Partnership noted and thanked Jackie Shearer for her presentation.
