

Scottish Fire and Rescue Ward Statement 2018 – Update noted – Request to Chief Officer, Scottish Fire and Rescue Service etc.

6 There was heard a verbal update by Craig Carenduff, Scottish Fire and Rescue Service (SFRS), advising

- (1) of the current issues, incidents and work being carried out within the Ward, including home fire safety visits, CPR training and unwanted fire alarms;
- (2) that on 5th November SFRS dealt with 531 incidents which included 224 bonfires and that anti-social behaviour remained an issue on Bonfire night; and
- (3) Scottish Fire and Rescue expressed their gratitude to all Partners involved on the night for their support and help.

After consideration, the Partnership

- (a) noted the update;
- (b) requested the Chief Officer, SFRS to provide details of their engagement work with children and young people at schools and Third Sector youth organisations as part of future updates to this Partnership; and
- (c) expressed their gratitude to SFRS for the work that they continued to undertake in the Ward.
