

Police Scotland ward update noted.

6 There was heard a report by Inspector Maxwell Shaw, Police Scotland, advising

- (1) of the reduction in anti-social behaviour and house breakings within the ward;
- (2) that drug taking incidents remained static and that supply charges had increased; and
- (3) of the focus on road safety as there had been an increase in speeding offences within the ward and that the Road Action Plan would continue to monitor this.

After consideration, the Partnership

- (a) noted the report and thanked Inspector Shaw for the update and all the work carried out by Police Scotland within the ward; and
- (b) raised questions and concerns that were addressed by Inspector Shaw.
