

WARNING NOTICE

Glasgow City Council

In accordance with: The Transport (Scotland) Act 2019

A nationwide ban on pavement parking came into effect on 11 December 2023.

You have received this warning notice because you are parked illegally in contravention of the above noted legislation.

Glasgow City Council will soon commence issuing penalty charge notices of £100 to vehicles parked on pavements with the possibility of also removing your vehicle.

**Please, DO NOT park at this location
in the future.**

Parking laws have also changed in regard to double parking and parking across a dropped kerb crossing point, making it illegal.

For further information, please visit the dedicated Council website at:
