Subject: 35 Ruskin Lane G12
Date: 09 February 2024 17:11:48

Dear Sir/Madam

We have received an application for an STL at 35 Ruskin Lane G12

Reference No:- **ST4468-1004-7036-4474**

Applicant:- **Marco Guidi**

Address of Short Term Let:- **35 Ruskin Lane, Glasgow G12 8EA**

Occupant Capacity:- **3**

No. of Rooms:- **2**

Last Date for Objection/Representation:- **9th February 2024**

We have entered an objection, but we think that there was a planning application around 2007 to convert this building into habitable property.

It is in the grounds of a house in Ruskin Terrace, Hamilton Drive.

Our objection states that plannign ermission is needed in a conservation area.

Yours faithfully

Jean Charsley
