Agenda Item	Proposed off-market disposal of land at Kilmun Street, Sandbank Street, Fearnmore Road and Cumloddan Drive - Report by Executive Director of Neighbourhoods, Regeneration and Sustainability.
Question 1 (Bailie Hoy)	Question on Item 4 - as it is a wooded area has consideration been given to providing lighting within the amenity space for safety so that people feel safe?
Answer 1	The proposed new path will be lit by a series of 5m high lighting columns along its full length from Cumloddan Drive to Sandbank Street. These lights are sited on what is intended to be the adoptable path, so they are specified appropriately to the Council's adoptable standard.
