

Winter maintenance 2023-24 update noted.

5 There was submitted a report by the Executive Director of Neighbourhoods, Regeneration and Sustainability regarding the 2023-24 Winter Maintenance Plan advising

- (1) of the Council's aim to provide an effective and efficient winter maintenance service to minimise delays due to winter weather and ensure operations would be undertaken safely;
- (2) that the Winter Maintenance Plan submitted to the Council's Environment and Liveable Neighbourhoods City Policy Committee could be accessed at: <https://www.glasgow.gov.uk/councillorsandcommittees/submissiondocuments.asp?submissionid=110582>
- (3) of the arrangements and resources in place for the winter period, including available vehicles and plant, treatment priorities, the decision-making process, arrangements for salting and grit bins and the communication strategy developed to provide severe weather information;
- (4) that general advice and information for the public concerning the Winter Maintenance Service would be available on the Glasgow City Council web and an Interactive Winter Gritting Story Map could be viewed at: <https://glasgowgis.maps.arcgis.com/apps/MapJournal/index.html?appid=d383df28e39d48b294e66826d2c1456d> ;
- (5) that QR codes were provided on all grit bins to request a refill or to replace a damaged grit bin; and
- (6) of the priority 1 cycle and busy commuter routes.

After consideration, the Partnership

- (a) noted the report;
- (b) raised questions in relation to the gully cleaning at Parkhead Cross that was responded to by Martin Lundie who advised that this work had been completed and would investigate the programme further; and
- (c) raised questions in relation to the refill of grit bins and if a contact number would be available for the public to report, which Martin Lundie advised he had requested a contact telephone number to be provided on the grit bins.
