Reason(s) for decision

01. The proposal was not considered to be in accordance with the Development Plan and there were no material considerations which outweighed the proposal's variance with the Development Plan.
02. The proposal is contrary to CDP6 and SG6: Green Belt and Green Network as it does not meet the criteria of a development which will not affect the function and integrity of the Green Belt in the manner outlined by SG6: Green Belt and Green Network.
03. The proposal is contrary to CDP7: Natural Environment as the application does not provide evidence that there will be no impact on the Site of Importance for Nature Conservation, nor is the proposal of city wide importance which would offset the need for this justification.
