Report to: Contracts and Property Committee

From: Managing Director of City Property (Glasgow) LLP

Date: 13 June 2024

Subject: Authority to negotiate an off-market disposal of The Former Broomhill Primary Schoolhouse, 85 Beechwood Drive, Broomhill, Glasgow G11 7HJ To Partick Housing Association Limited.

1. Description

- 1.1 The subject is located at 85 Beechwood Drive, the former Broomhill Primary Schoolhouse, in the Broomhill area of Glasgow, approximately 3.2 miles northwest of Glasgow City Centre.
- 1.2 The subject consists of a 1970s built 3-bedroom detached bungalow, formerly the schoolhouse for Broomhill Primary School. The subject is brick built with a pitched tiled roof. The property also has garden space and private driveway. The boundary is denoted by a one meter high metal fence.
- 1.3 The total subject site extends to 0.11 acres square meters (0.0445 hectares) or thereby.

2. Planning

- 2.1 The [Glasgow City Development Plan](#) was adopted on 29 March 2017. The new local development plan replaces Glasgow City Plan 2 (2009) and sets out the Council's land use strategy providing the basis for assessing planning applications. The City Development Plan does not identify land use zones to direct particular types of development. Instead, overarching policies CPD1 Placemaking and CDP 2 Sustainable Spatial Strategy encourage development to be informed by a placed base approach.

3. Background

- 3.1 The subject was constructed in the 1970's to serve as a janitors house for the original Broomhill Primary School.
- 3.2 City Property (Glasgow) LLP (City Property) was instructed by Neighbourhoods, Regeneration and Sustainability (NRS) – Property and Consultancy Services to progress with the disposal of the subject to Partick housing Association Limited, and to negotiate the Heads of Terms for the disposal on the basis that the abovementioned authority is granted.

- 3.3 The City Administration Committee at its meeting on 10 October 2019 approved a policy for off-market disposals ([see link Report Details](#)). It is considered that the proposed disposal is compliant with 3.1.5 of the policy “disposals to registered social landlords in support of the Council’s housing objectives”.
- 3.4 Common good wording will be reported when the appropriate authority is sought for the approval of agreed terms and conditions.
- 3.5 The house has been declared surplus by Education Services. As it is subject to a secured tenancy, it is not available for use by any other service accordingly the standard surplus property exercise is not appropriate. Further, this proposal follows the previously agreed Council policy noted above.
- 3.6 Following authority to negotiate being granted, Heads of Terms will be negotiated by City Property to include conditions that will protect Glasgow City Council’s interest if the use is to change in the future. The appropriate authority will be sought for the approval of the agreed terms and conditions

4. Purchaser

- 4.1 Partick Housing Association Limited (Registered Scottish Charity: SC033751)
