

Programme update noted.

4 There was submitted and noted a report by the Director of the Programme Management Office (PMO) providing an update on various key programme development, tasks and issues for the period to 28th April 2017, advising

- (1) of progress in relation to the Infrastructure, Innovation and Skills and Employment programmes, which encompassed an update regarding the Working Matters project which was currently at red status and was being monitored with a recovery plan in place, together with information on those projects which had already been completed, all as detailed in the report; and
- (2) of other activity carried out by the PMO, which included details on the National Panel, Communications and Marketing, Assurance Framework Review and Contracts Register, all as detailed in the report.
