

Police Scotland Ward update noted etc.

5 There was heard a report by Inspector Stevie Kinvig, Police Scotland, advising the Partnership of

- (1) the current progress that Police Scotland was making within the Ward including the current statistics in relation to crime, drug use/dealing, anti-social behaviour, youth disorder and the issues the Police Service faced from March 2020 due to the pandemic;
- (2) regular telephone contact being maintained with respective single point of contacts (SPOC) within Housing Associations in the Ward area and when safe to do so recommence face to face meetings in the near future;
- (3) the ongoing work carried out by Police Scotland including its focus on Glasgow Green, where demonstrations, albeit peaceful, had taken place with youths coming from other areas to congregate, would continue to be monitored; and
- (4) the continued renovation work at London Road Police station and of the front bar re-opening in January 2021 for the public to walk in.

After consideration, the Partnership

- (a) noted the report and thanked Inspector Kinvig for the update and the work carried out by Police Scotland; and
- (b) raised a number of concerns and questions which were addressed by Inspector Kinvig.
