

Neighbourhoods, Regeneration and Sustainability - Annual Service Plan and Improvement Report noted – Instruction to Executive Director of Neighbourhoods, Regeneration and Sustainability.

5 There was submitted a report by the Executive Director of Neighbourhoods, Regeneration and Sustainability (NRS) regarding NRS's Annual Service Plan and Improvement Report for 2021/22, advising

- (1) of the strategic and service priorities of NRS for 2021/22 and the performance against priorities for 2020/21 whilst having to simultaneously deliver services differently in response to the COVID-19 pandemic;
- (2) how NRS would deliver a best value service following from the recent Council Family Review when Development and Regeneration Services merged with Neighbourhoods and Sustainability on 1st April 2021 and that services delivered by City Parking (Glasgow) LLP would also transfer to NRS by 1st August 2021;
- (3) that the Leadership Team was working to establish a new vision, mission, aims and objectives for the new Service through a series of workshops and these would be communicated when finalised; and
- (4) of the areas of focus in supporting the Council's Strategic Plan 2017-22 and the service priorities for 2021/22.

After consideration, the committee

- (a) noted the report; and
- (b) instructed the Executive Director of Neighbourhoods, Regeneration and Sustainability
 - (i) to circulate a summary of the changes proposed to the Annual Service Plan and Improvement Report to the committee prior to submission to the City Administration Committee for approval; and
 - (ii) to identify the appropriate place to submit a report on diversity within the staff structure.
