

Festive Lighting programme 2025/26 update noted – Request to Executive Director of Neighbourhoods, Regeneration and Sustainability – Funding approved in principle.

6 There was submitted a report by the Executive Director of Neighbourhoods, Regeneration and Sustainability regarding the Festive Lighting programme 2025/26, advising

- (1) that each Area Partnership had been awarded £3,600 of central funding to meet the costs of erecting and maintaining festive lighting;
- (2) of the 2024/25 festive displays and switch-on events and for the Partnership to consider whether these should still be included in the 2025/26 programme;
- (3) of the standard pricing schedule for the 2024-28 festive lighting programme, following a new procurement exercise carried out to deliver the programme; and
- (4) that any approved funding in excess of the central funding would require to be met from the Great Pollok Area Partnership budget.

After consideration, the Partnership

- (a) noted the report;
- (b) requested that the Executive Director of Neighbourhoods, Regeneration and Sustainability provide the partnership with costings for lighting columns at Nitshill Road/Parkhouse Road junction; and
- (c) approved in principle up to £2,500 from the area budget to fund the costings of the lighting columns at Nitshill Road/Parkhouse Road junction.
