

Police Scotland ward update noted.

3 There was heard a report by Inspector Graeme Hogg, Police Scotland advising the Partnership

(1) of the joint incentive in the ward with Police Scotland and DVLA that had resulted in

- (a) 7 vehicles uplifted for not being taxed;
- (b) 7 vehicles being clamped;
- (c) 29 parking tickets had been issued for being on the pavement or double parked on yellow lines;
- (d) 5 cars had warning stickers for not being taxed which the DVLA would follow up;
- (e) NRS would request uplift of 6 abandoned vehicles;

(2) of the ongoing work at Bridge Street and Calton Place with plain clothed officers in the area to combat anti-social behaviour and encouraged all incidents to be reported to allow them to be officially recorded;

(3) of the potential closure of the Gorbals Police Station and Police Scotland would ensure that officers would still be allocated to the Gorbals area where and when required; and

(4) of the day of action to stop and check cyclists to make sure that they were complying with the highway code and road safety.

After consideration, the Partnership

- (a) noted the report;
- (b) thanked Inspector Hogg for the update and all the work carried out by Police Scotland within the ward; and
- (c) would raise the issue of Gorbals Police station closing with Police Scotland to see what plans were in place for covering all areas in the ward.
