

Transition to Collaborative Framework 2025 - Presentation noted.

4 The committee heard and noted a presentation by Sharon Hayward, Senior Partnership Officer, West Partnership, providing an update regarding the Transition to Collaborative Framework 2025, during which she highlighted

- (1) a number of actions which had been identified following Specialist Network SWOT Analyses;
- (2) that the Finance Officer was in the process of creating a Memorandum of Understanding for 2025 onwards, with early closure of the budget being targeted for mid-March, where possible;
- (3) that where agreed on Collaborative Framework, all Practitioner Reference Groups were now in place; and
- (4) the proposed timetable of collaborative activity that would be undertaken between March and August 2025.
