AS SHOWN ON THE FOLLOWING SUBMITTED PLAN(S)

Reason(s) for decision

01. The proposal was not considered to be in accordance with the Development Plan and there were no material considerations which outweighed the proposal's variance with the Development Plan.
02. The development proposal is contrary to Policy 14 'Design, Quality and Place' and Policy 16 'Quality Homes' of NPF4 and CDP 1 & SG 1: Placemaking of the Glasgow City Development Plan (adopted 2017) for the reasons specified below.
03. The proposed height, design, siting and materials of the fence and gates are incongruous and have a detrimental visual impact on the quality of the street and the host property. The development fails to complement the character of boundaries in the immediate area which include high quality materials and are open in nature and design.

IMPORTANT NOTES ABOUT THIS REFUSAL OF PLANNING PERMISSION

BY THIS NOTICE, YOUR PROPOSAL HAS BEEN REFUSED.

RIGHTS OF APPEAL

If you are not satisfied with this refusal of planning permission, you may request a review within **three months** of the date on this notice. Please note that the right of appeal is to the Planning Local Review Committee of the Council and **not** to Scottish Ministers.

Before pursuing a review, you should consider contacting your case officer to discuss whether there are changes which could be made to the proposed development to make it acceptable. The case officer's contact details are on the letter accompanying this Decision Notice. Your case officer can also advise on how a fresh application could be submitted. Please note that if you do submit a fresh application within 12 months, you would be unlikely to have to pay a further planning fee.

Before contacting the case officer, you would be well advised to view the report on the application. It is available for inspection [online](#). The report explains how the decision was reached and should help you decide whether to proceed with further discussion or a review. If your application was granted subject to conditions, it may be clear from the terms of the report that any conditions which you might be concerned about are necessary.

A notice of review must be served on the Planning Local Review Committee by downloading and completing the form available at <https://www.eplanning.scot/ePlanningClient/>. It should then be emailed, along with accompanying documents, to localreviewcommittee@glasgow.gov.uk.

In most cases a fee is applicable for a notice of review and details of the relevant fee can be found here: [Decision and Appeal – Glasgow City Council](#). The notice of review must include a statement setting out your reasons for requiring the Planning Local Review Committee to review this case. The statement and any other information that the applicant wishes to rely on for the Review must be submitted with the Notice of Review as this cannot be submitted at a later date. You must state by what procedure (written representations, hearing session(s) or inspection of application site) or combination of procedures you wish the review to be conducted. However, please note that the Planning Local Review Committee will decide on the review procedure to be followed.

You must also include with the notice of review a copy of this decision notice, the planning application form, the plans listed on the decision notice and any other documents forming part of the proposed development as determined. If you have a representative, you must give their name and address. Please state whether any notice or other correspondence should be sent to the representative instead of to you.
