Report to: Contracts and Property Committee

From: Managing Director of City Property (Glasgow) LLP

Date: 6 November 2025

Subject: Authority to negotiate the off-market disposal of the site of the former Maryhill Hub and adjacent land, Wyndford Road, Glasgow to Wheatley Homes Glasgow Limited.

1. Description

- 1.1. The subject is located in the Maryhill area, approximately 3 miles north-west of Glasgow City Centre and comprises the site of the former Maryhill Hub, 186 Wyndford Road and adjacent amenity land located to the south, extending to the Kelvin Walkway.
- 1.2. The entire site area extends to 4.31 hectares (10.65 acres) or thereby as shown outlined in black and hatched on the attached plan.

2. Planning

- 2.1. [Glasgow City Development Plan](#) was adopted on 29 March 2017. The new local development plan replaced Glasgow City Plan 2 (2009) and sets out Council's land use strategy providing the basis for assessing planning applications. The City Development Plan does not identify land use zones to direct particular types of development, having overarching policies CPD1 Placemaking & CDP 2 Sustainable Spatial Strategy encouraging development to be informed by a place based approach.

3. Background

- 3.1 The northern portion of the subject site was formerly occupied by St Gregory's Primary School and Wyndford Primary School. Following their closure, Wyndford Primary was demolished, while the St Gregory's building was refurbished to form the Maryhill Hub ("the Hub"), which opened to the public in 2010 to provide a range of learning, leisure, and recreational activities for the Wyndford and wider Maryhill communities. The southern portion of the site is currently designated as a green corridor and identified as a city-wide Site of Importance for Nature Conservation (SINC).

- 3.2 The Hub closed in May 2025 and is scheduled for demolition as part of the ongoing £100 million regeneration programme for the Wyndford estate. In the interim, Hub services have been temporarily relocated to Maryhill Burgh Halls
- 3.3 The subjects were declared surplus on 23 June 2025 following the procedural non-operational process, with no notes of interest being received.
- 3.4 Subsequently, City Property (Glasgow) LLP (City Property) was instructed by Glasgow City Council's (GCC) Property and Consultancy Services to progress with the disposal of the subject to Wheatley Homes Glasgow Limited (Wheatley).
- 3.5 At its meeting on 10 October 2019, the City Administration Committee approved a policy for off-market disposals ([Report Details](#)) and it is considered that the proposed disposal is compliant with 3.1.5 of the policy "disposals to registered social landlords in support of the Council's housing objectives".
- 3.6 The incorporation of land already within Wheatley's ownership, together with the acquisition of the subject site, will enable the delivery of a major residential development comprising homes for social and mid-market rent.
- 3.7 Prior to completion, all buildings on the site will be demolished to ensure that Wheatley acquires a fully cleared site.
- 3.8 Common good wording will be reported when the appropriate authority is sought for the approval of agreed terms and conditions.
- 3.9 The subjects are not currently included in GCC's Log of Opted to Tax Property.
- 3.10 Following authority to negotiate being granted, Heads of Terms will be negotiated by City Property to include conditions that will protect GCC's interest if the use is to change in the future. The appropriate authority will be sought for the approval of the agreed terms and conditions.

4. Purchaser
