Policy Referred to:

Type of Licence	Policy name	Policy
Private Hire Car	Overprovision Policy	In terms of sections 10 (3A) and (3C) of the Civic Government (Scotland) Act 1982 ("the 1982 Act"), the Licensing Authority is satisfied that, having regard to the number of private hire cars operating in the city of Glasgow and the demand for private hire car services in that locality, there is no overprovision of private hire car services until the number of private hire car licences reaches 3450. In terms of section 10 (3B) of the 1982 Act, the Licensing Authority has determined that the whole of the City of Glasgow is the appropriate locality for the purposes of said section 10 (3A). The Licensing Authority is satisfied that having regard to the findings of an independent report by Local Transport Projects Ltd dated April 2023 and submissions from a representative of Local Transport Projects Ltd at a meeting of the Licensing and Regulatory Committee on 26th April 2023, that for the purposes of sections 10 (3A) (3B) and (3C) of the 1982 Act,

		there will be no overprovision of private hire car services in the city of Glasgow until such time as the number of private hire car licences reaches 3450. When the number of private hire car licences reaches 3450 there will be an overprovision of private hire car services in city of Glasgow, and as such at that time there will be a rebuttable presumption against the grant of further private hire car licences. This will be known as "the Private Hire Car Licence Overprovision Policy". Licence for a Private Hire Car - Glasgow City Council
