

Scottish Fire and Rescue Service ward update noted

6 There was heard a report by Station Commander Graeme Morrow, Scottish Fire and Rescue Service (SFRS) regarding the current issues, incidents and work being carried out in the ward for Quarter 2, from 1st July to 30th September 2024, advising the Partnership

- (1) that the service had attended 1,132 incidents in the North West area of which 56 were in the ward, 23 Special Services and 82 false alarms, with no fatalities recorded;
- (2) of the work carried out by SFRS to educate youths and the general public to raise continued awareness on water safety, school engagements and the introduction of QR codes, which provided safety information;
- (3) 489 home fire safety visits were conducted in the North West in Quarter 2, targeting high risk occupiers and providing fire safety advice in the home and of the positive engagement at the Morano Street student village;
- (4) of the work carried out by SFRS prior to Bonfire night including engagement activities and education on the dangers of fireworks; and
- (5) that Stage 2 of the public consultation would be progressed during early 2025.

After consideration, the Partnership noted the report and thanked Station Commander Morrow for the work carried out by the service.
