

Police Scotland ward update noted.

4 There was heard a report by Inspector Colin MacLucas, Police Scotland, advising the Partnership

- (1) that there had been no reported incidents with fireworks of note in the ward through 4th and 5th November 2024;
- (2) of a bonfire gathering that occurred in the Milton area on 5th November with no permission to use the land having been sought or granted from Glasgow City Council by the organisers and that public safety remained a priority and that they were seeking to enhance community engagement around permissions to use Glasgow City Council land to ensure that appropriate safety and contingency planning considerations were made by organisers; and
- (3) that an offender had been identified following several house breakings within the central area of the ward.

After consideration, the Partnership

- (a) noted the report and thanked Inspector MacLucas for the update and all the work carried out by Police Scotland within the ward; and
- (b) raised concerns that were addressed by Inspector Sibbald.

Variation in order of business noted.

5 The Partnership agreed to vary the order of business as hereinafter minuted.
