1. BACKGROUND

- 1.1 Following approval of revised governance arrangements for Partnership meetings approved by the Strategic Board and the Council's Executive Committee on 28th August 2014, a revised Partnership meeting cycle was implemented in 2015. This involved all Partnership meetings taking place within a 6 week cycle 4 times per annum, with Area Partnerships meeting in weeks 1 and 2. Area Partnerships also have the opportunity to organise additional meetings, events or visits as appropriate out with this cycle. It should be noted that the additional meetings need not be formal Partnership meetings but can include other events such as an opportunity for capacity building and visits to funded projects or initiatives.
