## Notes :

1. The grant allocations per the table above were approved by the Finance Officers group at their meeting of 31 March 2015, further revised on 4/8/2015.
2. The grant due to authorities is based on an authorities percentage share of overall programme spend up to a maximum of actual spend, the mechanism previously agreed by City Deal authorities. For 2015/16 City Deal grant is £30m which is in excess of projected spend. Glasgow, as Lead Authority will offset excess grant against non City Deal spend in 2015/16.
