

Sustainable Glasgow – Fairtrade Fortnight 2016 noted.

8 There was submitted and noted a report by the Executive Director of Land and Environmental Services regarding the actions being taken by the Council to support Fairtrade Fortnight 2016, advising

- (1) that this year Fairtrade Fortnight would run from 29th February to 13th March 2016 and it was proposed that the Council supported producers in Ghana of fairly traded ethical skin care products; and
- (2) of a number of other local activities taking place in which the Council would play a strong role.
