Glasgow's New Strategic Plan for Cycling 2016-2025 noted – Recommendation to Executive Committee - Instruction to Executive Director of Land and Environmental Services.

1 With reference to the minutes of 10th June 2015 (Print 2, page 98) noting that the outcome of a consultation process undertaken on Glasgow's Strategic Plan for Cycling 2016-2025 would be submitted to a future meeting of this committee, there was submitted a report by the Executive Director of Land and Environmental Services, advising

- (1) of the consultation process undertaken and the feedback received;
- (2) that the final draft Strategic Plan had been amended, taking into account the comments received and the final Strategic Plan was attached as an appendix to the report;
- (3) that the Council would engage with the Scottish Government to transform Glasgow into the most cycle friendly city in Scotland; and
- (4) of the funding commitment over the next 3 years on the basis that it would be matched by a substantial funding commitment from other key stakeholders.

After consideration, the committee noted the report and

- (a) referred the Strategic Plan for Cycling 2016-2025 to the Executive Committee for approval; and
- (b) subject to approval by the Executive Committee, instructed the Executive Director of Land and Environmental Services to liaise with the Scottish Government and other key stakeholders about potential funding and

thereafter prepare a further report for this committee within the 2016/17 financial year.
