

Police Scotland – ward update noted.

5 There was heard a verbal report by Sergeant Keith McLay, Police Scotland, advising the Partnership that

- (1) there had been 1 major incident reported within the ward and of an increase in calls, resulting in blue light calls;
- (2) there had been an increase of youth disorder within the ward and Police Scotland would continue to work with young people in relation to anti-social behaviour;
- (3) Police Scotland were aware of recent issues involving youths on E-bikes and that action had been taken in relation to this and where possible they would hold their parents/guardians to account by charging them and seizing the E-bikes;
- (4) action plans were in place for future events;
- (5) shop lifting crimes continued within the ward and Police Scotland were continuing to tackle these issues; and
- (6) that officers would be wearing audio cameras to help support evidence.
