The criteria of the 2023-4 Let's Grow Together Fund are listed below:

- Projects must contribute to increasing the number of food growing spaces across the city, which can include but is not limited to meeting the demand for allotments, community gardens or market gardens.
- Each project proposal should also address one of the following themes:
  - Supporting the creation and maintenance of good quality, multifunctional open space to help reconnect communities with nature.
  - Supporting food waste reduction and reuse of materials in the community.
  - Protecting and enhancing biodiversity in the city.
  - Promoting and supporting improved physical, mental and emotional health & wellbeing.
  - Sharing the benefits of climate action across the community.
  - Supporting food growing, waste reduction and recycling in schools.
  - Supporting the creation and development of urban market gardening and farming.

These themes are linked with Glasgow City Council's Climate Plan, Strategic Plan 2022-2027 as well as the City Food Plan.
