PLANNING DECISION NOTICE

Full Planning Permission REFUSAL

IN RESPECT OF APPLICATION 25/02640/FUL

Use of flatted property (main door) (Sui generis) as short term let (Sui generis)

AT

9A Athole Gardens Glasgow G12 9AZ

AS SHOWN ON THE FOLLOWING SUBMITTED PLAN(S)

Reason(s) for decision

01. The proposal was not considered to be in accordance with the Development Plan and there were no material considerations which outweighed the proposal's variance with the Development Plan.
02. The development proposal is contrary to Policy 23: Health and Safety and Policy 30: Tourism of the National Planning Framework 4, CDP 1: The Placemaking Principle, SG 1: Placemaking, CDP 10: Meeting Housing Needs, SG 10: Meeting Housing Needs, CDP11: Sustainable Transport and SG11: Sustainable Transport of the Glasgow City Development Plan as specified below, and there is no overriding reason to depart therefrom.
03. The proposal is contrary to Policy 23: Health and Safety of National Planning Framework 4 in that, due to the transitory nature of the proposed development, the use of a residential flat as short-stay accommodation is likely to raise unacceptable noise issues, which would be detrimental to the existing neighbours within the flatted block, thereby creating an adverse impact on residential amenity.
04. The proposal is contrary to Policy 30: Tourism of National Planning Framework 4 in that, the introduction of a short-term letting use at this property is considered to be significantly out of character with the predominant use of the mainstream flats in this building.
05. The proposal is contrary to Policy CDP1 and SG1 of the Glasgow City Development Plan in that the introduction of the transitory nature of the short-stay accommodation to a mainstream residential property fails to provide high quality amenity to existing and new residents in the City.

06. The proposal is contrary to CDP10 and SG10 of the Glasgow City Development Plan in that the proposal would result in a change of use from a residential flat to short-stay accommodation within an existing block of residential flats, resulting in a mix of mainstream residential flats and short-stay accommodation within a single building. As such, the introduction of the proposed use would adversely affect the residential character of the flatted block to the detriment of the amenity of residents occupying mainstream residential flats
07. The proposal is contrary to Policy CDP10 and SG10 of the Glasgow City Development Plan as the transitory nature of the short-stay accommodation would intensify the use of the property to the detriment of the residential character and amenity of neighbouring properties and Glasgow West Conservation Area.
08. The proposal is contrary to SG10 of the Glasgow City Development Plan as it is located within Glasgow West Conservation Area
09. The proposal is contrary to CDP11 and SG11 of the Glasgow City Development Plan in that the application does not include any provision for cycle parking.
10. The submitted drawing A101 STL shows external stairs at the front of the property to street level. These stairs have not been constructed thereby rendering the only access through the communal garden to the rear. This sharing of communal access space with the other residential flats in the building is detrimental to the amenity of the other flats. This is contrary to CDP1, SG1(Part 2), CDP10 and SG10 of the Glasgow City Development Plan.

As qualified by the above reason(s), or as otherwise agreed in writing with the Planning Authority
