8 There was heard and noted a verbal report by the Executive Director of Neighbourhoods, Regeneration and Sustainability, regarding festive lighting within the Ward for 2026, providing an update on the proposed locations for the planting of Christmas trees, advising that in relation to

- (1) the Bain Street and Riverbank Primary School location, plans were progressing well;
- (2) the Bridgeton Cross location, this was not suitable for planting a Christmas tree due to hard standing ground however, officers from NRS would carry out site visits for other possible locations and report back; and
- (3) the Barrowfield location, West of Scotland Housing Association owned the land at Barrowfield and approval would need to be sought from them for planting a Christmas tree.
