

## **Police Scotland Ward update noted.**

**5** There was heard a report by Inspector Stephen Gow, Police Scotland, advising the Partnership

- (1) that there had been a significant decrease in calls relating to fireworks over the Bonfire Night period and that Police Scotland had received support from Glasgow City Council in the removal of bonfires;
- (2) that there had been a decrease in reports of shoplifting in the ward however, that nationally this remained a priority and that funding of a Retail Crime Task Force would continue;
- (3) that a new Area Commander had been appointed;
- (4) that there had been a reduction from previous years in youth anti-social behaviour over the festive period and that there had been a spike in domestic incidents;
- (5) that body worn video equipment would be deployed to all officers in the coming months; and
- (6) that Police Scotland would continue to focus on the 'Fatal 5' campaign in respect of road safety and that Inspector Gow had asked members for assistance in identifying areas where speeding was an issue so that these areas could be attended by Police Scotland.

After consideration, the Partnership

- (a) noted and thanked Inspector Gow for the update and for the work that he and Police Scotland continue to do for the community; and
- (b) raised a number of questions that were answered by Inspector Gow.
