Minutes of previous meeting approved – Request to Executive Director of Neighbourhoods, Regeneration and Sustainability.

2 The minutes of 26th November 2025 were submitted and approved, subject to noting that

- (1) at item 1(3) Ellen Wright highlighted an error in the paper which should have stated Ellen Wright on behalf of High Knightswood and Annie'sland Community Council and had requested information on where funds allocated to the Christmas lights should be returned to for £1,500;
- (2) Elspeth Kerr highlighted under matters arising that the Christmas lights in Drumchapel were of poor quality and did not function properly and that the lights were connected only one day beforehand, which was insufficient notice;
- (3) Ellen Wright raised concerns that the High Knightswood and Annie'sland Christmas lights were of poor quality and that the trees, which were supposed to have been cut back, had not been trimmed; and

- (4) Paul Maher highlighted that the planned switch-on event at Moraine Avenue/Kirkhope Drive, scheduled for the 1st of December 2025, did not proceed. The contractor's truck initially broke down, and when a replacement vehicle arrived, the hydraulics for the stabilisers were not functioning. As a result, the switch-on could not go ahead despite payment having been made for the service. This led to significant disappointment among the nursery and primary school children, particularly as arrangements such as face painting had already been paid for.

After consideration, the Partnership requested the Executive Director of Neighbourhoods, Regeneration and Sustainability reimburse the 3 community councils for the cost of the festive lighting, on the grounds that it was of poor quality, did not function properly, and did not represent good value for money.
