Items for Completion:

Inspection

The premises were inspected on 13 November 2025 in respect of the Council's living standards for houses in multiple occupation. The following matters were directed to Ms Nicole Maxwell and Mr Stuart Malcolmson and confirmed to the applicant by letter.

1. An enclosed ceiling light fitting compliant with IP44 requires to be fitted within the communal bathroom and the en suite of bedroom 1/L.
2. Please submit a copy of the lease to be utilised to create tenancies for the property.
3. Please provide confirmation of the building insurance policy in place.
4. Please submit the current Landlords Gas Safety Certificate for the property.

Conditions

1. A minimum of one (01) suitable bin with lid for storage of refuse produced by the tenants of the house shall be provided at a suitable location with suitable means of access thereto.
2. The number of residents to be accommodated within the licensed premises should not exceed three (03) persons.
3. At least once in every five years all electrical systems within the premises shall be examined by a competent person and a certificate provided indicating that all such systems are functioning properly and are safe.
4. At least once in every year all portable appliances within the premises provided for the use of the tenants shall be examined by a competent person and certificates provided indicating that all such appliances are functioning properly and are safe. If the application is for the grant of an existing licence then copies of the portable appliance test certificates for the previous two years also require to be submitted.
5. At least once a year all gas appliances provided for the use of the tenants must be examined by a competent person (i.e. GAS SAFE REGISTERED ENGINEER) and a certificate provided (i.e. LANDLORDS GAS SAFETY CHECK) indicating that they are functioning properly and are safe. Gas certificates must be retained for three years and must be submitted when applying for the renewal of a licence.
