

Dennistoun Place Based Approach within the Glasgow Community Plan noted.

8 With reference to the minutes of 29th April 2025, noting details of the Glasgow Community Planning Partnership's Local Outcomes Improvement Plan including proposals to update the place-based approach to tackling poverty at a more local level, there was submitted and noted an update by the Head of Policy and Corporate Governance, advising that

- (1) 8 areas in Glasgow were invited to be part of the plan, which included an area within the Dennistoun Ward, namely Roystonhill, Blochairn and Provanmill and that £45,000 per year had been allocated to that area;
- (2) Royston Strategy Group had agreed to take on the role of a local steering group who had assessed applications to become the local anchor organisation from four different organisations;
- (3) Rosemount Development Trust were selected through the application scoring process and were currently finalising budget proposals for consideration by the Royston Strategy Group that had began the process of developing an action plan; and
- (4) updates would be provided to future meetings.
