

Applicant and Project Title	Project description	Project costs	Recommendation
Heart of Scotstoun Community Centre G14 Community Hub	<u>Proposal:</u> The centre is seeking funding towards the cost of a subscription to the Felix and food pantry Project to assist with distribution of food within the community. This will allow the centre to expand operations on a Friday, while providing high quality nutritious food to the community reaching around 40 people per week. The food will be a mix of hot meals prepared within the centre and food distributed to attendees to use at home. The hot meals provided on site will provide an opportunity for social connection for those who attend the community café on a Tuesday. It is hoped that the purchase of cooking and kitchen equipment will maximise the distribution and impact of the project within the community through practical cooking classes. <u>When:</u> Until March 2027 Community Café will take place on a Tuesday Practical cooking sessions will take place on a weekly basis Food store distribution will be on going throughout 2026 <u>Where:</u> Heart of Scotstoun Community Centre	Total costs £9,150 Other funding £121- Heart of Scotstoun Funds Area budget request £9,029	Award £9,029 Pending receipt of requested documentation

	<u>Who will benefit:</u> Estimates sit around 40+ people per week. The centre will monitor uptake of distribution of food through the course of the project Cooking classes will be done on a registration basis in blocks of sessions Community meals will be open to everyone <u>Cost Breakdown</u> Felix Project Food Subscription- £7,000 Air Fryers x 10- £600 Electric Hobs x 10- £600 Food Pantry Network Subscription- £350 Reusable Containers and Cooking Utensils- £300 Reusable Bags and Aprons- £200
