Report to: Contracts and Property Committee

From: Managing Director of City Property (Glasgow) LLP

Date: 17 September 2026

Subject: Authority to negotiate the off-market disposal of land at Westerhouse Road, Gartloch, Glasgow to Apsley (Gartloch) Limited.

1. Description

- 1.1. The subject is located within the Easterhouse area, lying some 5 miles north east of Glasgow City Centre. It is situated on the north side of Westerhouse Road at its junction with Lochend Road.
- 1.2. The proposed purchaser, Apsley (Gartloch) Limited is looking to acquire the land outlined in black and hatched extending to 7.75 hectares (19.15 acres).

2. Planning

- 2.1. [Glasgow City Development Plan](#) was adopted on 29 March 2017. The new local development plan replaced Glasgow City Plan 2 (2009) and sets out Council's land use strategy providing the basis for assessing planning applications. The City Development Plan does not identify land use zones to direct particular types of development, having overarching policies CPD1 Placemaking & CDP 2 Sustainable Spatial Strategy encouraging development to be informed by a place based approach.

3. Background

- 3.1 The proposed purchaser is the owner of the adjoining housing development site having purchased it in December 2025. The Purchaser is aiming to submit a Planning Permission in Principle in September 2026 for the development of c.800 residential units on the adjacent land. The Purchaser approached Property & Consultancy Services with a view to acquiring land to construct an access road to the development site from Westerhouse Road. The exact route of the road will be determined during the planning process.
- 3.2 At its meeting on [10 October 2019](#), the City Administration Committee approved a policy for off-market disposals and it is considered that the proposed disposal is compliant with sections 3.1.1 of the policy, 'disposal to an adjoining proprietor',

and 3.1.6 of the policy for a ‘disposal that will support inward investment and socio economic objectives’.

- 3.3 The subject site is not deemed as part of Glasgow City Council’s operational requirement and was formally declared surplus on 29 July 2026, with no notes of interest being received.
- 3.4 City Property (Glasgow) LLP was instructed on 26 June 2026 by PCS to progress the disposal of part of the site declared surplus.
- 3.5 The subject is not currently included in Glasgow City Council’s Log of Opted to Tax Property.
- 3.6 Following authority to negotiate being granted, Heads of Terms will be negotiated by City Property, to include conditions that will ensure the land is only utilised for the proposed use and overage clauses will be included to protect Glasgow City Council’s interest if the use is to change in the future. The appropriate authority will be sought for the approval of the agreed terms and conditions.

4. Purchaser

- 4.1 Apsley (Gartloch) Limited (16839168).

5. Policy and Resource Implications

Resource Implications:

<i>Financial:</i>	Authority to begin negotiation of an off-market disposal to generate a capital receipt for GCC.
<i>Legal:</i>	Legal will need to conclude this transaction.
<i>Personnel:</i>	No direct personnel issues.
<i>Procurement:</i>	No procurement implications.

Council Strategic Plan:	Grand Challenge 1 – Reduce poverty and inequality in our communities. Mission 4 – Support Glasgow to be a city that is active and culturally vibrant.
--------------------------------	--

Equality and Socio-Economic Impacts:

<i>Does the proposal support the Council’s Equality Outcomes 2025-29? Please specify.</i>	No specific equality related issues.
---	--------------------------------------

What are the potential equality impacts as a result of this report?

No equality impacts identified.

Please highlight if the policy/proposal will help address socio-economic disadvantage.

The proposal has no impact on socio-economic disadvantage.

Climate Impacts:

Does the proposal support any Climate Plan actions? Please specify:

Whilst not supporting specific Climate Plan actions, proposed development will be subject to statutory guidelines.

What are the potential climate impacts as a result of this proposal?

There are no potential climate impacts for this proposal at this time.

Will the proposal contribute to Glasgow's net zero carbon target?

Whilst the development of a new road would not contribute to the target, the proposal should be considered in line with Climate Plan Theme 3: Well connected and thriving City.

The proposal would also contribute to the development of a significant housing development.

Privacy and Data Protection Impacts:

No privacy or data protection impact identified.
