FESTIVE LIGHTING PROGRAMME 2026/27

Purpose of Report:

The purpose of this report is:

- (1) to advise members of the central funding available and the pricing guidelines for the 2026/27 festive lighting programme.
- (2) remind members of the 25/26 festive lighting programme; and
- (3) to seek agreement on the 26/27 programme and, where necessary, the allocation of additional funding.

Recommendations:

The Area Partnership is asked to:

- (1) note the lighting arrangements and the central funding available for the 2026/27 programme; and
- (2) approve the necessary funding for any additional costs over and above the central funding.

Introduction

1. The Council took the decision to delegate funding for peripheral festive lighting to the Area Partnerships as part of the budget process for 20/21. A similar arrangement is proposed for the 2026/27 programme.
2. Each Area Partnership is awarded £3,600 central funding to meet the costs of erecting and maintaining festive lighting, usually at a single location.
3. Area Partnerships have the option to fund additional festive lighting locations.

25/26 Festive Lighting Programme

4. The festive lighting programme for the Ward delivered as part of the 25/26 programme is shown below.

Location	Feature
Easterhouse Shopping Centre	Natural Tree Features
Molendinar (Langdale St / Langdale Ave)	Natural Tree Features
Garthamlock GESH	15-18ft (Off Road)
Gartloch Rd	Column Features to 20nr cols

26/27 Festive Lighting Programme

5. The prices reflect the new contract rates for this festive season. The Festive Lighting delivery programme was subject to a new procurement exercise for years 2024 to 2028. The standard pricing schedule for the 24/28 festive lighting programme is set out below

Option	2023 Price	2024/28 Price
15-18ft Xmas Tree (Off Road)	£3,600 / tree	£2,950
15-18ft Xmas Tree (On Road)	£5,000 / tree	£4,200

	Sub-Total	£ 27, 840
	Deduct Central Funding	£ 3,600
	Total Additional Funding	£ 24, 240

7. NRS Festive Team have been informed the current Horticultural Contract, which includes supply of Christmas Trees, has come to an end. GCC Procurement will establish a new framework to invite suppliers to tender, as such this may now impact the cost of Christmas Trees from 2027.
8. The Area Partnership is invited to identify the locations where a switch on event is proposed to be held for either a Xmas or natural tree. Column mounted features will come on at the same time as the streetlights on the day of installation.
9. If the total cost of the delivering the festive lighting programme selected by the Area Partnership exceeds the £3,600 central funding, then the balance of the funding will require to be met by the Area Partnership from other funds.

10. All new festive requests will be subject to NRS Street Lighting approval for electrical supply
11. Request received for Column Mounted Features and Xmas Tree at Gartloch Village, Xmas Tree at Craigend (beside shops) and Xmas Tree at Molendinar Community Centre, all of which have been granted permission from NRS Street Lighting. **Note:** Electrical Supply for Xmas Tree at Molendinar to be done privately via the Community Centre and their own electrician, this is due to street column replacements works being carried out along Provanmill Road where utilising these columns wasn't granted.

Recommendations

12. The Area Partnership is asked to:
 - (1) note the lighting arrangements and the central funding available for the 2026/27 programme; and
 - (2) approve the necessary funding for any additional costs over and above the central funding.
