### **Increase and improve sources of information**

#### **FGS Storyboard**

The webpage includes digital mapping of such potential growing sites and includes advice on how to access permission to develop the site, find funding and where to get help to start growing:

<https://glasgowgis.maps.arcgis.com/apps/MapSeries/index.html?appid=d277ea6d8d7c4e07b4fbcd01ff05a3f0>

The webpage is scheduled to be reviewed on a quarterly basis  
actions include the following:

- Approximately 170 sites nominated at the FGS engagement events have been mapped so far. Further assessment of the sites will provide details on what sort of growing they may be suitable for.
- A Growing Handbook to assist new growers has been developed with the support of the allotment community
