

Neighbourhood Infrastructure Fund 2022/23 update noted.

4 There was submitted a report by the Executive Director of Neighbourhoods, Regeneration and Sustainability (NRS), regarding the Neighbourhood Infrastructure Fund, advising

- (1) of an update on the progress of the Neighbourhood Infrastructure Fund that had been carried out and of the commitments to date that included footway improvements in the Bridgeton area that totalled £11,000;
- (2) of the community engagement process to inform the decision making process for the fund and a pilot programme of work, led by the Council's Centre of Civic Innovation, to research existing systems etc and would be working with the City Policy and Corporate Governance Team to run the system in a live testing environment, as detailed in the report;
- (3) of redirected funding totalling £6m to be topped up in future budget years for road repairs, with details relating to the ward confirmed within the appendices to this report; and
- (4) that Area Partnerships would still be expected to allocate the full £1m initially awarded.
