

**Local Parks and Open Space Improvement Fund update noted – Request to Executive Director of Neighbourhoods, Regeneration and Sustainability.**

**6** There was submitted a report by Mr Thomas Samuel, Neighbourhoods, Regeneration and Sustainability, regarding the Local Parks and Open Space Improvement Fund providing an update on projects allocated within the ward for years 2021/22 and 2022/23, as detailed in the report.

After consideration, the Partnership noted the report and raised concerns in relation to the safety and condition of play areas within the ward and requested more details to be shared to the Partnership, particularly Scottish Government funding that would be applicable to play areas.
