**3** There was submitted a report by the Director of Community Empowerment and Equalities providing an update on Locality Planning in the Springboig and Barlanark Neighbourhood, advising

- (1) of the ongoing work of Thriving Places at a neighbourhood level, the plans to refresh the Springboig/Barlanark locality plan and of the progress on the Tenant Satisfaction Survey project across the city, as detailed in the report;
- (2) that the next stage would be to approach local housing associations to participate in the Tenants Satisfaction project as outlined in the report;
- (3) that a working group to help improve access to information and to map out existing resources in the area, comprised of local residents had met on 21st October 2021;
- (4) that Friends of Barlanark and Springboig Greenspaces Group had organised 2 litter picks and were communicating with Neighbourhoods, Regeneration and Sustainability to organise more litter picks, arrange for noticeboards to be installed, organise tree planting and outdoor workshops, and that the group was hoping to recruit more members and could be contacted via email; and
- (5) that the development/seed fund of £4,900 remained unspent and funds are available to local projects that did not have access to other funds and encouraged community groups to apply.

After consideration the Partnership noted the report and thanked Jonny Pickering and Ola Pawluck for their contribution.
