Active Travel Strategy 2022-31 noted – Recommendation to City Administration Committee - Dissent.

3 With reference to the minutes of 5th October 2021 (Print 4, page 279) noting the intention to undertake a public consultation for the Glasgow's Active Travel Strategy and Action Plan 2022-31, there was submitted a report by the Executive Director of Neighbourhoods, Regeneration and Sustainability providing the final version of Glasgow's Active Travel Strategy (ATS) 2022-31 and further updates on the consultation report, the Interim Delivery Plan for the City Network report and initial Active Travel Strategic Business Case, advising

(1) of the public consultation that had been undertaken on the draft Glasgow's ATS 2022-31 over a period of 8 weeks from 12th October 2021 to 5th December 2021, as detailed in the appendix to the report, and the suite of documents that would be developed to support the ATS following approval;

(2) that the ATS actions were being reviewed and amended based on feedback through the public consultation and through conversations with the responsible Council departments on how best to deliver desired outcomes and the amendments would be reflected in the Theme 1 outputs to be published in February 2022;

(3) of the ATS delivery plan for the city network, funding, governance, and collaboration;

(4) in further detail of the development and preparation of the initial Active Travel Strategic Business Case and that the full Strategic Business Case would be developed in parallel to the final delivery plan for the city network report for summer 2022; and

(5) of the next steps for Themes 2 and 3 to support the ATS.
